A guide to this timetable

The metro map on the back cover and the geographic map on the inside back cover show the routes around the Island. Please refer to these maps, along with the Road / Bus Stop index at the back of this timetable to assess which route applies to you. Once you have done this, refer to the information on the relevant page. Most of the routes are round journeys, with the 'A' routes travelling anti-clockwise. Sunday services appear on the yellow pages.

Welcome Aboard

Welcome to Guernsey's bus services, which are operated by Island Coachways on behalf of the Environment Department.

Our bus services operate daily and will take you almost anywhere on the Island. These schedules are split into two parts: Monday to Saturday and Sundays / Bank Holidays.

We hope that you find this timetable helpful in planning your journeys. However, if you have any queries about the services, then staff at Island Coachways will be happy to help you at their Bus Information Kiosk at the St. Peter Port bus terminus. They can also be telephoned on 720210, press option 2.

Bus information can also be found at www.icw.gg/buses

Routes and Timetables

The network of bus routes provides a high frequency of services to the Island's main shopping centres, beaches and visitor attractions, and our modern bus fleet offers a very comfortable and passenger friendly ride.

Visitors in particular will find that routes 7 and 7A will take you all the way round the coast of Guernsey. Alternatively, you can hop on and hop off the services at any point to allow you to visit an attraction or place of interest. However you will need to pay another fare when you reboard the service.

Maps showing the full network of services are shown on the inside and back covers of this timetable.

Connections between many parts of the Island can also be made by travelling **through** Town on routes 5, 6 or 7. Keep an eye out for the notes explaining these connections at the foot of the timetables, or the arrow (↓) which indicates that the service continues on the timetable below. Passengers who continue on these 'through services' do not have to pay another fare. Please note that you may be asked to transfer to another vehicle.

In addition, connections which can be made to other routes at each bus stop are indicated in the Road & Bus Stop Index at the back of this timetable. If your journey cannot be completed using one bus route, and it is necessary to change routes in order to complete your journey, you do not need to pay twice. Exchange your bus ticket, within a short time of its issue, for a transfer ticket valid for onward travel. Please note that this transfer bus ticket cannot be used for return journeys, and cannot be used when re-boarding a bus if it had been possible to complete your journey on the original route.

School Holidays

Please note that a few services only operate on Saturdays and during the school holidays. This year, the school holidays are:

Half term 31 May - 4 June (inclusive)

Summer 23 July - 1 September (inclusive)

Some services on route 7 operate via the Grange on College days. This year, Ladies' and Elizabeth College holidays are:

Half term 31 May

Summer 2 July - 1 September

Park and Ride

Free parking is available at the Park and Ride car park at Footes Lane, from where you can catch one of at least three buses each hour into the centre of St. Peter Port (see routes 1, 1A and 2).

Bus Stops and 'Hail and Ride'

You can board the buses at any of the bus stops around the Island. These are either painted on the road or indicated by bus stop signs on poles. Due to the fact that many of the bus stops are used by more than one bus route, passengers are requested to wave down the correct bus when it approaches.

Please note that only the main bus stops are shown in this timetable.

To work out times for other stops on route, take the time between the two nearest main stops.

Alternatively, you can 'hail' a bus and, provided it is safe, the driver will stop to pick you up (please note, hail and ride does not operate in the Town, St. Peter Port or Bridge, St. Sampsons area).

'Ormer' smart cards

If you catch the bus regularly, why not purchase one of our 'Ormer' smart cards for £1.00 and save up to 50% on the individual flat fare.

'Ormer' smart cards can be purchased from Island Coachways' Bus Information Kiosk at the St. Peter Port bus terminus and can be topped up at the Kiosk or on board the buses by your driver. Please note that damaged cards together with their journeys, will not be replaced. Cards should be handled carefully as we accept no liability for damage caused by misuse.

FREE bus travel for local OAPs

65+

OAPs (65 years old and above) residing in Guernsey or Alderney may travel free on the buses if they show the driver suitable identification, such as their medical insurance card (this concession does not apply to OAPs visiting the Island).

Bus fleet - disabled access

Our 'low floor' buses have a wheelchair ramp and a dedicated wheelchair space which can be used by nearly all wheelchair users. In addition, the buses have kneeling suspension so they can be lowered to provide easy access for disabled or elderly passengers. Passengers are advised to wait until the vehicle is completely lowered before attempting to board. Should you require any additional assistance, please ask the driver.

Comments and Suggestions

The bus services provided by Island Coachways are operated on behalf of the Environment Department, who are also responsible for producing this timetable. If you have any suggestions or comments regarding the timetable or service in general, then please contact Island Coachways' Customer Care Manager (telephone 720210 - press option 3) or the Environment Department's Passenger Transport Section direct at PO Box 145, Bulwer Avenue, St Sampsons (telephone 201276).
